Colombo 02.

Updating Sri Lanka Trade Information Portal (SLTIP) – June 2023-

This letter has reference to the e-mail sent by you in above subject.

I kindly request you to add fallowing information in SLTIP appropriately.

Decided to initiate e-Phyto exchange with Korea from 31st July, 2023.

Both e-Phyto and paper based phytosanitary certificates will be exchanged for initial 6 month of period.

Thereafter, only the e-Phyto will be exchanged.

There is no specific update from other units.

Additional Director,

National Plant Quarantine Service

L. Champika Hewage
